Iceberg Exhibitions – a leading Trade Fair and Exhibition Organizer specializes in creating high-impact fairs that drive industry growth. Iceberg Exhibitions specializes in sector-specific fairs that connect businesses with the right audience, driving real opportunities for growth.

We create targeted industry events that bring together key players, from innovators and investors to policymakers and buyers. With a focus on energy, construction, agriculture, technology, and tourism, our fairs are designed to foster meaningful connections, showcase cutting-edge solutions, and open new market opportunities. At Iceberg Exhibitions, we don't just organize events—we build platforms for business success.

AlbaniaTech is more than just a platform; it's a dynamic hub designed to connect and energize the key players within Albania's entrepreneurial landscape. The platform offers unparalleled access to vital information, essential tools, introductions to key figures, and vibrant communities, all crucial elements in constructing a robust entrepreneurial ecosystem across Albania. At AlbaniaTech, we're dedicated to showcasing the Albanian Startup and Innovation Ecosystem, spotlighting its diverse actors, their offerings, and sharing inspiring success stories. By uniting Albania's startup scene online, we aim to bolster innovation capacity among ecosystem stakeholders, forge valuable linkages both domestically and internationally, and ultimately catalyze growth and collaboration.

Iceberg Exhibitions and AlbaniaTech joined forces to drive the implementation of "Future2Tech", leveraging decades of experience and expertise in event management and entrepreneurial ecosystem development.
